Demanding His Brother's Heirs - Michelle Celmer Is Holly Shay seeing a ghost? The man on her doorstep is the spitting image of her baby twins' late father, but when he explains who he is, she feels relief and attraction...not necessarily in that order. When he hears that his troubled twin brother has died, Jason Cavanaugh rushes in to help his nephews. And if staking his claim on the kids means claiming Holly as his own, he's game -- up to a point. Because there's a time bomb ticking inside Jason that could blow his chances with Holly right out of the water... Twins For The Rebel Cowboy - Sasha Summers For one crazy night, Annabeth Upton lets loose to forget her worries:

Grandma Flo's medical bills, little Cody's stutter, the challenges of being a school principal and a single mum. Then Ryder Boone steps in to protect her from a rowdy bar patron...and in a hot half-hour they create the biggest worry of all. Two of them, actually! Ryder was always the rebel of the Boone family, but he does the right thing and proposes. Annabeth says yes -- but thinks the marriage is temporary, meant to save her from scandal. But the last thing she wants is to force Ryder into a loveless marriage forever, so she gives him an opt-clause. The only problem is that as they grow even closer, she doesn't want him to leave! In the tradition of *The Girl on the Train* comes the UK bestseller *The Ice Twins*, a terrifying psychological thriller with a twisting plot worthy of Gillian Flynn. One of Sarah's daughters died. But can she be sure which one? A year after one of their identical twin daughters, Lydia, dies in an accident, Angus and Sarah Moorcroft move to the tiny Scottish island Angus inherited from his grandmother, hoping to put together the pieces of their shattered lives. But when their surviving daughter, Kirstie, claims they have mistaken her identity--that she, in fact, is Lydia--their world comes crashing down once again. As winter encroaches, Angus is forced to travel away from the island for work, Sarah is feeling isolated, and Kirstie (or is it Lydia?) is growing more disturbed. When a violent storm leaves Sarah and her daughter stranded, they are forced to confront what really happened on that fateful day. A royal wedding to claim his twins!

100 Things Twins Fans Should Know & Do Before They Die will help fans of the Twin Cities' favorite franchise get the most out of being a fan. It takes 50 years of Twins history and distills it to the absolute best and most compelling, identifying in an informative, lively, and illuminating way the personalities, events, and facts every Twins fan should know without hesitation. Numbers with huge impact, such as 34, .388, and 1987; nicknames such as Puck and Kitty and Tony-O. A follow-up to *Rebels: City of Indra* follows the story of twin sisters Lex and Livia as they make a grueling journey in search of the mother they thought was dead and face a prophecy about how they might be the foreordained saviors of Indra. The cultural fantasy of twins imagines them as physically and behaviorally identical. Media portrayals consistently offer the spectacle of twins who share an insular closeness and perform a supposed likeness—standing side by side, speaking and acting in unison. Treating twinship as a cultural phenomenon, this first comprehensive study of twins in American literature and popular culture examines the historical narrative—within the discourses of experimentation, aberrance and eugenics—and how it has shaped their representations in the 20th and 21st centuries. Step into a world of sophistication and glamour, where sinfully seductive heroes await you in luxurious international locations. Passion has a double price...

Sometimes the price of destiny is higher than anyone imagined.... Dark Magic, Hidden Destiny For three centuries a divine prophecy and a line of warrior queens protected Skala. But the people grew complacent and Erius, a usurper king, claimed his young half sister's throne. Now plague and drought stalk the land, war with Skala's ancient rival Plenimar drains the country's lifeblood, and to be born female into the royal line has become a death sentence as the king fights to ensure the succession of his only heir, a son. For King Erius the greatest threat comes from his own line — and from Illior's faithful, who spread the Oracle's words to a doubting populace. As noblewomen young and old perish mysteriously, the king's nephew — his sister's only child — grows toward manhood. But unbeknownst to the king or the boy, strange, haunted Tobin is the princess's daughter, given male form by a dark magic to protect her until she can claim her rightful destiny. Only Tobin's noble father, two wizards of Illior, and an outlawed forest witch know the truth. Only they can protect young Tobin from a king's wrath, a mother's madness, and the terrifying rage of her brother's demon spirit, determined to avenge his brutal murder.... The twin alphas will do anything to claim every inch of my body. My Number One rule has always been business before pleasure. As a human who trains packs of werewolves everyday, temptation lurks around every corner. From their large canines that could sink right into my neck to their brute strength, I had always had the strength to resist. Until I meet the twins. When they hire me to help strengthen their weakest members, these bad boys make it their mission to break me. And while I'm determined to never let pleasure interfere, there's something about the twins that I can't seem to resist. But can I fight the urge to fall in love with them? Out of nowhere, Sander appears and tries to take the children away from her, forcing her to make an bold proposition in order to spite this wealthy man! Conjoined twins have long been a subject of fantasy, fascination, and freak shows. In this first collection of its kind, Millie-Christine McKoy, African American twins born in 1851, and Daisy and Violet Hilton, English twins born in 1908, speak for themselves through memoirs that help us understand what it is like to live physically joined to someone else. Conjoined Twins in Black and White provides contemporary readers with the twins' autobiographies, the first two "show histories" to be republished since their original appearance, a previously unpublished novella, and a nineteenth-century medical examination, each of which attempts to define these women and reveal the issues of race, gender, and the body prompted by the twins themselves. The McKoys, born slaves, were kidnapped and taken to Britain, where they worked as entertainers until they were reunited with their mother in an emotional chance encounter. The Hiltons, cast away by their horrified mother at birth, worked the carnival circuit as vaudeville performers until the WWII economy forced them to the burlesque stage. The hardships, along with the triumphs, experienced by these very different sister sets lend insight into our fascination with conjoined twins. COWBOY DEPUTY "There was something in that clearing." An unknown darkness walks the streets of Black Rock. With a killer at large, Deputy Benjamin Grayson knows that an elderly man's claims of a supernatural phenomenon won't help matters. Yet what he doesn't know is that summoning the man's only relative will make her a target...one in need of his protection. Edie Burnett comes to the sleepy Kansas town for her grandfather's sake—not to let down her guard for a handsome lawman. But Benjamin seems determined to prove that her hard-knock life has been void of friendship, passion and security for too long. She wants to be safe in his arms, but when danger closes in she may not get the chance.... THE COWBOY'S SECRET TWINS "Threaten me, but don't dare threaten my sons." One cold December night, Henry James Randolph III wanted to escape. His money, his heritage, his lonely life. But when the blizzard drove the sexy Melissa Monroe into his arms he made sure to avoid that trap, too. A year later, when she shows up at his Texas ranch with adorable twin boys, he can't believe his eyes. The boys look just like him. Was their night of passion a premeditated snare or a Christmas surprise? But when shots ring out, his instincts take over. He'll stop at nothing to keep Melissa and the boys safe. And he just may recognize where his true wealth lies, if it isn't too late for them all. Sometimes the price of destiny is higher than anyone imagined.... Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district-court judge father and a politician mother, they are an all-American family -- on the surface. Behind the facade each sister has her own dark secret, and that's where their differences begin. For Kaeleigh, she's the misplaced focus of Daddy's love, intended for a mother whose presence on the campaign trail means absence at home. All that Raeanne sees is Daddy playing a game of favorites -- and she is losing. If she has to lose, she will do it on her own terms, so she chooses drugs, alcohol, and sex. Secrets like the ones the twins are harboring are not meant to be kept -- from each other or anyone else. Pretty soon it's obvious that neither sister can handle it alone, and one sister must step up to save the other, but the question is -- who?
