Lost Knowledge of the Ancients Oct 19 2021 Thinkers at the forefront in alternative theories on history, the origins of civilization, technology, and consciousness • With contributions by Graham Hancock, Robert Bauval, Mark Booth, Richard Hoagland, Robert Schoch, John Anthony West, and others • Topics range from quantum philosophy and paranormal phenomena to the secret history of NASA, instant polar shifts, and ancient Martian civilizations • Explores where our present time fits into the cycle of human existence A revolution of thought is under way in our world, fostered by decades of research and well-documented evidence by alternative theory pioneers such as Graham Hancock, John Anthony West, Robert Bauval, and Robert Schoch. These provocative, cutting-edge scholars now represent a direct challenge to the academic establishment as the paradigms of science and history shift and their ideas gain acceptance. Representing the latest, often controversial findings in scientific and historical research, this anthology of essays commissioned by Graham Hancock, bestselling author of Fingerprints of the Gods, covers the forefront in alternative theories on history, the origins of civilization, technology, and consciousness with topics ranging from quantum philosophy and paranormal phenomena to the ancient use of electromagnetism, the effect of cosmic rays on human evolution, and NASA's cover-up of ancient Martian civilizations. Recognizing that many recent discoveries are actually rediscoveries of lost knowledge from past civilizations, these authors seek to understand where, within the bigger picture of human knowledge, our present time fits into the cycle of human existence.

GOD End-time Updates His Call to The Multitudes Aug 05 2020 GOD End-Time Updates His Call to the Multitudes "This book carries The Entity of God, The Presence of My Spirit, The Counselling of God." "This book will take The Multitudes found with commitment, on a never-ending journey accompanied by God." "This book is as a keyhole through which The Multitudes can gaze: to discover the changes wrought, to see and comprehend the counselling received, to visit and discover how to be included in The Bride of Christ." "This book is written under The Auspices of God, Was dictated from His Love, as supervised under His Grace, was achieved through The Power of The Spirit."

The God of Small Things Jul 16 2021 Revised traditional Chinese edition of The God of Small Things, winner of the 1997 Booker Prize. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.

Lost Secrets of the Gods Aug 24 2019 Delves into all manner of theories about the Earth's history, from the possibility that a race of giant humanoids once roamed the planet to the mysterious disappearance of a whole Persian army to the idea that ancient cultures created psychic guard dogs to protect sacred sites. Original.

The Writing of the Gods Dec 09 2020 The surprising and compelling story of two rival geniuses in an all-out race to decode one of the world's most famous documents--the Rosetta Stone--and their twenty-year-long battle to solve the mystery of ancient Egypt's hieroglyphs. The Rosetta Stone is one of the most famous objects in the world, attracting millions of visitors to the British museum ever year, and yet most people don't really know what it

is. Discovered in a pile of rubble in 1799, this slab of stone proved to be the key to unlocking a lost language that baffled scholars for centuries. Carved in ancient Egypt, the Rosetta Stone carried the same message in different languages--in Greek using Greek letters, and in Egyptian using picture-writing called hieroglyphs. Until its discovery, no one in the world knew how to read the hieroglyphs that covered every temple and text and statue in Egypt. Dominating the world for thirty centuries, ancient Egypt was the mightiest empire the world had ever known, yet everything about it--the pyramids, mummies, the Sphinx--was shrouded in mystery. Whoever was able to decipher the Rosetta Stone, and learn how to read hieroglyphs, would solve that mystery and fling open a door that had been locked for two thousand years. Two brilliant rivals set out to win that prize. One was English, the other French, at a time when England and France were enemies and the world's two great superpowers. *The Writing of the Gods* chronicles this high-stakes intellectual race in which the winner would win glory for both himself and his nation. A riveting portrait of empires both ancient and modern, this is an unparalleled look at the culture and history of ancient Egypt and a fascinating, fast-paced story of human folly and discovery unlike any other.

Gods of the New Millenium Sep 29 2022 First published in 1997, this is the comprehensive and irrefutable proof of the flesh-and-blood gods who created us genetically in their own image. This interventionist solution identifies them as the builders of the Pyramids, Sphinx and other ancient sites. Up-to-date evidence is that the gods were real and came from within the Solar System.

Valley of the Gods Sep 05 2020 "A Wall Street Journal columnist for "Weekend Confidential" explores the hubris and ambition of Silicon Valley innovators who are changing the world, tracing the stories of three upstarts who left promising college educations in favor of developing billion-dollar ideas"--NoveList.

Set Fire to the Gods May 26 2022 Avatar: The Last Airbender meets Gladiator in the first book in this epic fantasy duology in which two warriors must decide where their loyalties lie as an ancient war between immortals threatens humanity--from Sara Raasch, the New York Times bestselling author of the Snow Like Ashes series, and Kristen Simmons, acclaimed author of *Pacifica* and *The Deceivers*. Perfect for fans of *An Ember in the Ashes*, *And I Darken*, and *The Winner's Curse*. Ash is descended from a long line of gladiators, and she knows the brutal nature of war firsthand. But after her mother dies in an arena, she vows to avenge her by overthrowing her fire god, whose temper has stripped her country of its resources. Madoc grew up fighting on the streets to pay his family's taxes. But he hides a dangerous secret: he doesn't have the earth god's powers like his opponents. His elemental gift is something else--something that hasn't been seen in centuries. When an attempted revenge plot goes dangerously wrong, Ash inadvertently throws the fire and earth gods into a conflict that can only be settled by deadly, lavish gladiator games, throwing Madoc in Ash's path. She realizes that his powers are the weapon her rebellion needs--but Madoc won't jeopardize his family, regardless of how intrigued he is by the beautiful warrior. But when the gods force Madoc's hand, he and Ash uncover an ancient war that will threaten more than one immortal--it will unravel the world.

The Death of the Gods Oct 31 2022 ****Winner of the Transmission Prize 2019**** THE OLD GODS ARE DYING. Giant corporations collapse overnight. Newspapers are being swallowed. Stock prices plummet with a tweet. NEW IDOLS ARE RISING IN THEIR PLACE. More crime now happens online than offline. Facebook has grown bigger than any state, bots battle elections, coders write policy, and algorithms shape our lives in more ways than we can imagine. *The Death of the Gods* is an exploration of power in the digital age, and a journey in search of the new centres of control. From a cyber-crime raid in British suburbia to the engine rooms of Silicon Valley, pioneering technology researcher Carl Miller traces how power is being transformed, fought over, lost and won. 'A timely and incisive book that grapples with some of the most significant issues of our time.' *Wired* 'Uncovers the fascinating and often hidden characters that are changing the world. Essential reading.' Jamie Bartlett, author of *The People vs Tech* 'A

magisterial guide to the impact of the digital revolution on our institutions and our lives.' Anthony Giddens

Legacy of the Gods Sep 17 2021 "Freddy Silva examines the origins of sacred places and takes readers to the most significant sites of the ancient world--from Stonehenge, Angkor Wat, Kurwah Tahit in New Zealand, and Petra to the Vatican and Tibet. He offers a wide-ranging exploration of the hows and whys behind temple building and the spiritual technology employed by various groups of adepts who created these temples over thousands of years."--P. [4] of cover.

God and the New Physics Jan 22 2022 An explanation of how recent discoveries of the new physics are revolutionizing our view of the world and, in particular, throwing light on many of the questions formerly posed by religion

The Gods Never Left Us Mar 12 2021 The Long Awaited Sequel to the Worldwide Best-seller Chariots of the Gods When Chariots of the Gods was published 50 years ago, it began a worldwide change in humanity's view of the cosmos. In an era of the military space race, Erich von Däniken boldly proclaimed that Earth had been visited by more advanced beings early in our history. But prescientific man had no concept of space ships, so he called their vehicles "chariots," and those driving the chariots became "gods." Over the next five decades, von Däniken's more than 40 books built an ever-stronger case for Earth being visited by extraterrestrial visitors. And Chariots became an international best seller, with 30 million copies sold in more than two dozen languages. Also during that time, the case for ET visitations millennia ago was being reexamined by contemporary UFO researchers, who found evidence of modern visitations. And von Däniken expanded his perspective to encompass the present. Now, he presents his long-awaited sequel to Chariots of the Gods, proclaiming that the gods never left us with all-new material to show that ancient aliens are still with us. The Gods Never Left Us contends that recent advancements in biotechnology, astrophysics, engineering, and artificial intelligence not only give us a fresh perspective on his ancient astronaut theory but actually validates it. We are--as a race--embarking on the exact same trajectory of our own interplanetary colonization, just as von Däniken suggested Earth itself was colonized. ETs are definitely at work today. And that affects all of us. Why do they do what they do? What could an extraterrestrial species possibly gain from observing us in the same way we look at ants? What have these strangers wanted for the past thousands of years? Can't they leave us alone? And what makes it so difficult for us to acknowledge the existence of these extraterrestrials? That is what this book deals with. "Erich's newest book is a fascination journey from the ancient past into the present with a plethora of scientific evidence and documented research. As always, he ads his own "to the point" take on it all. Readers may also like that his newest work moves in a slightly different direction from his past books. A thoroughly enlightening and enjoyable Read." --Bruce Cunningham, Director, Ancient Mysteries International LLC & Publisher of Advanced Archaeology Review magazine

Fingerprints of the Gods Dec 01 2022 Could the story of mankind be far older than we have previously believed? Using tools as varied as archaeo-astronomy, geology, and computer analysis of ancient myths, Graham Hancock presents a compelling case to suggest that it is. "A fancy piece of historical sleuthing . . . intriguing and entertaining and sturdy enough to give a long pause for thought."—Kirkus Reviews In Fingerprints of the Gods, Hancock embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind's hidden past. In ancient monuments as far apart as Egypt's Great Sphinx, the strange Andean ruins of Tihuanaco, and Mexico's awe-inspiring Temples of the Sun and Moon, he reveals not only the clear fingerprints of an as-yet-unidentified civilization of remote antiquity, but also startling evidence of its vast sophistication, technological advancement, and evolved scientific knowledge. A record-breaking number one bestseller in Britain, Fingerprints of the Gods contains the makings of an intellectual revolution, a dramatic and irreversible change in the way that we understand our past—and so our future. And Fingerprints of God tells us something more. As we recover the truth about prehistory, and discover the real meaning of ancient myths and monuments, it becomes apparent that a warning has been handed down to us, a warning of terrible cataclysm that afflicts the Earth in great cycles at

irregular intervals of time—a cataclysm that may be about to recur. “Readers will hugely enjoy their quest in these pages of inspired storytelling.”—The Times (UK)

Astonishing the Gods Oct 07 2020 One of the BBC’s “100 Novels That Shaped Our World,” a much-needed fable that could change how we see ourselves and our reality, from the renowned Booker Prize-winning author. A young man finds himself among invisible beings who have built a world based on one principle: that we must repeat every experience until we live it fully for the first time. “Only then can we find what we didn’t seek and go where we don’t intend to go.” Ben Okri navigates the world at once as a writer, an artist, a musician, and a philosopher—in the process, he challenges our craving for the visual and the concrete. We read him not only with our eyes but also with our senses, our intuition. As his story unfolds we begin to inhabit the ineffable land that he creates, our imagination led to a place where what we once thought were fundamental truths are turned magically on their heads. In the difficult times we live in, in an age decimated by injustice and inequality, Okri brings unexpected insights as meaningful as they are transformative. “Maybe what seeks us is better than what we seek.”

A Nation Under God, 2009 Updated Edition May 14 2021 Ken Clifton (B.S. in Religion - Bible Studies Concentration, Liberty University) has written many Christian books (30 Days of Providence, Life is Optional, The Trinity, The Christian Superhero Training Guide, and Dancing Around Jericho's Walls). A Nation Under God's first section gives official quotes recognizing God from state constitutions of all 50 states, as well as information such as state order, state mottos, and more. The second section gives official quotes recognizing God from every U.S. President, as well as information such as the term years, political party, and denomination of the Presidents. Following that is a section of quotes from official and notable figures throughout our history, a section of examples of current day acknowledgements of God in government, a section of providence scriptures, and more.

In Spite of the Gods Apr 12 2021 As the world's largest democracy and a rising international economic power, India has long been heralded for its great strides in technology and trade. Yet it is also plagued by poverty, illiteracy, unemployment, and a vast array of other social and economic issues. Here, noted journalist and former Financial Times South Asia bureau chief Edward Luce travels throughout India's many regions, cultures, and religious circles, investigating its fragile balance between tradition and modernity. From meetings with key political figures to fascinating encounters with religious pundits, economic gurus, and village laborers, *In Spite of the Gods* is a fascinating blend of analysis and reportage that comprehensively depicts the nuances of India's complex situation and its place in the world.

GOD End-time Updates The Guardianship of Friends Oct 26 2019 GOD End-time Updates The Guardianship of Friends, with eighty-six divinely selected scrolls dictated by Jesus: where The Curtain Call of God stimulates: in growth, in Faith, in righteousness, in expression, in quests, in being friendly and inviting. It affirms the value: of being under The Faith Field of Mortality, the confirmation of The Righteous Field of Morality, the requested availability of The Cleansing Field of Grace, the necessity of Seeking The Field of Preparation, The gifts of My Spirit as on The Day of Pentecost, the benefit of attaining fluency in The Heavenly Gift of Tongues, access to the given opportunity to select: the destiny of choice as the goal of life, to be so set in Faith for Freewill Activities— with righteousness prevailing as the destiny is assured. It closes out the time of Grace, opens up the time of Mercy at The Bema Seat. ‘Backstop to The Heating’ is an exceptional read in this book.

Old Gods, New Enigmas Feb 20 2022 Is revolution possible in the age of the Anthropocene? Marx has returned, but which Marx? Recent biographies have proclaimed him to be an emphatically nineteenth-century figure, but in this book, Mike Davis’s first directly about Marx and Marxism, a thinker comes to light who speaks to the present as much as the past. In a series of searching, propulsive essays, Davis, the bestselling author of *City of Quartz* and recipient of a MacArthur Fellowship, explores Marx’s inquiries into two key questions of our time: Who can lead a revolutionary

transformation of society? And what is the cause—and solution—of the planetary environmental crisis? Davis consults a vast archive of labor history to illuminate new aspects of Marx's theoretical texts and political journalism. He offers a "lost Marx," whose analyses of historical agency, nationalism, and the "middle landscape" of class struggle are crucial to the renewal of revolutionary thought in our darkening age. Davis presents a critique of the current fetishism of the "anthropocene," which suppresses the links between the global employment crisis and capitalism's failure to ensure human survival in a more extreme climate. In a finale, *Old Gods, New Enigmas* looks backward to the great forgotten debates on alternative socialist urbanism (1880–1934) to find the conceptual keys to a universal high quality of life in a sustainable environment.

New Essays on Their Eyes Were Watching God Dec 29 2019 An analysis of the literary values of Hurston's novel, as well as its reception—from largely dismissive reviews in 1937, through a revival of interest in the 1960s and its recent establishment as a major American novel.

Introducing New Gods Mar 24 2022 The religious imagination of the Greeks, Robert Garland observes, was populated by divine beings whose goodwill could not be counted upon, and worshipers faced a heavy burden of choice among innumerable deities to whom they might offer their devotion. These deities—and Athenian polytheism itself—remained in constant flux as cults successively came into favor and waned. Examining the means through which the Athenians established and marketed cults, this handsomely illustrated book is the first to illuminate the full range of motives—political and economic, as well as spiritual—which prompted them to introduce new gods. Greek religion was infused with the passions of those who created it, Garland asserts, and must be understood in the context of wider social and political developments. Drawing on a wealth of literary and archaeological evidence, he investigates religious innovations at critical points in Athenian history from the Persian Wars in the eighth century B.C. down to the trial of Sokrates in 399 on charges including his failure to acknowledge state-recognized gods. While paying particular attention to the development of the Athenian cults of Pan, Artemis Aristoboule, Theseus, Bendis, and Asklepios, Garland provides a rich overview of features characteristic of religious expression throughout the Greek world. *Introducing New Gods* reconstructs the religious life of Athens with a compelling mix of imagination and insight. Classicists, ancient historians, and anyone interested in the history of religion will welcome it.

Ragnarok Jun 02 2020 The Booker Prize-winning author of *Possession* breathes life into the Ragnarok myth through the novel of a young British girl during World War II. *Ragnarok* retells the finale of Norse mythology: a story of the destruction of life on this planet and the end of the gods themselves. What more relevant myth could any modern writer choose? As the bombs of the Blitz rain down on Britain, one young girl is evacuated to the countryside. She is struggling to make sense of her new wartime life. Then she is given a copy of *Asgard and the Gods*—a book of ancient Norse myths—and her inner and outer worlds are transformed. War, natural disaster, reckless gods, and the recognition of impermanence in the world are just some of the threads that A.S. Byatt weaves into this most timely of books. Linguistically stunning and imaginatively abundant, this is a landmark. *A Globe and Mail* (Toronto) Best Book "A gorgeous, brilliant, and significant performance." —Booklist, starred review "Byatt's prose is majestic, the lush descriptive passages—jewelled one minute, gory the next—a pleasure to get lost in." —The Telegraph

Chariots of the Gods? Dec 21 2021 All over the world there are fantastic ruins and objects that cannot be explained by conventional history, archaeology or religion. In the ground-breaking *Chariots of the Gods*, Erich von Daniken provides answers to these questions...why do religious texts often refer to Gods who descend from fiery chariots? Why do modern space launch sites look like constructions on the plains of Nazca in Peru? Was God an astronaut? By looking at human history and the ruins of ancient civilisations with an open mind, Erich von Daniken offers a new solution to these eternal mysteries in *Chariots of the Gods*. Why, for instance, do the world's sacred books describe Gods who came down from the sky in fiery chariots and always promised to return? How could an ancient Sanskrit text contain an account which could only be of a journey in an alien craft? Compare photographs of American space centre launch sites to the constructions on the plains of Nazca in Peru. In order to understand the

mysteries which Erich von Daniken has catalogued we must go back to these ancient relics with an open mind. We must call in the resources and experience of sciences other than archaeology. Chariots of the Gods is a provocative attempt to explain some of the universe's most interesting mysteries. Erich von Daniken has spent a lifetime gathering evidence to prove that, before the dawn of recorded history, our ancestors were visited by an alien race. Erich von Daniken was responsible for popularising the ancient astronaut hypothesis of human development. Orthodox historians have been sceptical but a vast public have been drawn to his ideas by instinctive interest and wonder. His 26 books have sold over 60 million copies in over 40 languages.

The Gods of Greece May 02 2020 The text was originally published with other illustrations in 1983 by Harry N. Abrams Inc. Here it is repackaged with reproductions of over 65 paintings by Francoise Gilot (the paintings were created independently--not expressly for the book). Neither the text nor the artwork are conventional explications of how the gods were understood by the Greeks, but rather, both writer and artist offer personal interpretations of each god's character, power, and meaning. Annotation copyright by Book News, Inc., Portland, OR

Eyewitness to the Gods Apr 24 2022 The father of the ancient alien theory with more than 65 million books sold reveals everything he has withheld for years. In all his years of service, why didn't Erich von Däniken ever doubt his theory that inhabitants of other planets had come into contact with humanity ages ago, and that they still observe us today? How could von Däniken in all these years say firmly that the UFO phenomenon is real and that people are being abducted by aliens? Why does he repeatedly criticize the official historiography and our religions and thus accept scorn and hostility? The answers to these questions are: Because Erich von Däniken spoke to people who supported his theories. Because people who saw UFOs or were kidnapped by aliens trusted him. And because experts and insiders inaugurated secrets known to only a few people. In this book, the now 81-year-old presents selected eyewitnesses and insiders for the first time, reveals secrets and stories that he has hitherto kept private, and presents reports and revelations that leave one speechless!

New Gods Book One: Bloodlines Jul 04 2020 The New Gods return in this collection of stories that reimagined Jack Kirby's famous creations for a new era! Writer Mark Evanier, former assistant to New Gods creator Jack Kirby, teams with artist Paris Cullins to revive Orion, Darkseid, Metron, Kalibak, and more in this collection of key late-80s stories, set in the wake of Cosmic Odyssey. Stories include Orion leading an expedition to Earth and the six-part "Bloodline Saga." Collects New Gods #1-14.

When the Gods Came Down Sep 25 2019 Alan Alford is confirmed as a great discoverer. Now, the bestselling author of GODS OF THE NEW MILLENNIUM and THE PHOENIX SOLUTION has decoded the sacred secrets of the world's oldest civilisations, and can reveal the profound connections between their myths; the planets explosive relationship with the Gods and the Bible. Throughout WHEN THE GODS CAME DOWN, Alford presents challenging and revolutionary answers to the world's most enduring mysteries. His research is vast and his language accessible, providing a gripping read that will shake your beliefs and views on the origins of modern religion and the development of civilisation.

Miracles of the Gods Jun 14 2021

The Hunger of the Gods Nov 27 2019 The Hunger of the Gods continues John Gwynne's acclaimed Norse-inspired epic fantasy series, packed with myth, magic and bloody vengeance THE DEAD GODS ARE RISING . . . Lik-Rifa, the dragon god of legend, has been freed from her eternal prison. Now she plots a new age of blood and conquest. As Orka continues the hunt for her missing son, the Bloodsworn sweep south in a desperate race to save one of their own - and Varg takes the first steps on the path of vengeance. Elvar has sworn to fulfil her blood oath and rescue a prisoner from the clutches of Lik-Rifa and her dragonborn followers, but first she must persuade the Battle-Grim to follow her. Yet even the might of the Bloodsworn and Battle-Grim cannot stand alone against a dragon god. Their hope lies within the mad writings of a chained god. A book of forbidden

magic with the power to raise the wolf god Ulfir from the dead . . . and bring about a battle that will shake the foundations of the earth. Praise for The Bloodsworn series: 'A masterfully crafted, brutally compelling Norse-inspired epic' Anthony Ryan 'Visceral, heart-breaking and unputdownable' Jay Kristoff 'A satisfying and riveting read. The well-realised characters move against a backdrop of a world stunning in its immensity' Robin Hobb 'A masterclass in storytelling . . . epic, gritty fantasy with an uncompromising amount of heart' FanFiAddict 'Quintessential Gwynne honed to perfection . . . The Shadow of the Gods is absolutely stunning, one hell of an epic series opener and a spectacular dose of Viking-flavoured fantasy' The Tattooed Book Geek 'Reminds me of all that I love in the fantasy genre. The Shadow of the Gods is an action-packed cinematic read' Fantasy Hive

Against the Gods Nov 19 2021 A Business Week, New York Times Business, and USA Today Bestseller "Ambitious and readable . . . an engaging introduction to the oddsmakers, whom Bernstein regards as true humanists helping to release mankind from the choke holds of superstition and fatalism." —The New York Times "An extraordinarily entertaining and informative book." —The Wall Street Journal "A lively panoramic book . . . Against the Gods sets up an ambitious premise and then delivers on it." —Business Week "Deserves to be, and surely will be, widely read." —The Economist "[A] challenging book, one that may change forever the way people think about the world." —Worth "No one else could have written a book of such central importance with so much charm and excitement." —Robert Heilbroner author, *The Worldly Philosophers* "With his wonderful knowledge of the history and current manifestations of risk, Peter Bernstein brings us *Against the Gods*. Nothing like it will come out of the financial world this year or ever. I speak carefully: no one should miss it." —John Kenneth Galbraith Professor of Economics Emeritus, Harvard University In this unique exploration of the role of risk in our society, Peter Bernstein argues that the notion of bringing risk under control is one of the central ideas that distinguishes modern times from the distant past. *Against the Gods* chronicles the remarkable intellectual adventure that liberated humanity from oracles and soothsayers by means of the powerful tools of risk management that are available to us today. "An extremely readable history of risk." —Barron's "Fascinating . . . this challenging volume will help you understand the uncertainties that every investor must face." —Money "A singular achievement." —Times Literary Supplement "There's a growing market for savants who can render the recondite intelligibly—witness Stephen Jay Gould (natural history), Oliver Sacks (disease), Richard Dawkins (heredity), James Gleick (physics), Paul Krugman (economics)—and Bernstein would mingle well in their company." —The Australian

The Book of the Gods Feb 29 2020 A smart, funny mythological encyclopedia featuring a fabulous array of deities from all across the world--Africa to Oceania, Aztec to Balti Are you tired of the same old boring god you've worshiped for years? Looking for something new and exciting? Then this book has the answer--explore deities of all shapes, sizes, genders, colors, and superpowers. The official book of the leading mythological website www.Godchecker.com, this quirky reference is packed full of extraordinary facts and mythological trivia. Find the answers to such pressing god-related questions as Who is the god of shoes? The god of football? The god of fluff? From the Greek and Roman gods (includes Neptune: think trident, beard, sea) to the gods of Oceania and the Aztecs (such as Nanautzin, or the Scabby One), there is a god for every occasion. Alongside the A-to-Z listings are 20 introductory essays giving an entertaining and accessible overview of each pantheon.

The Bully Pulpit Feb 08 2021 One of the Best Books of the Year as chosen by The New York Times, The Washington Post, The Economist, Time, USA TODAY, Christian Science Monitor, and more. "A tale so gripping that one questions the need for fiction when real life is so plump with drama and intrigue" (Associated Press). Doris Kearns Goodwin's *The Bully Pulpit* is a dynamic history of the first decade of the Progressive era, that tumultuous time when the nation was coming unseamed and reform was in the air. The story is told through the intense friendship of Theodore Roosevelt and William Howard Taft—a close relationship that strengthens both men before it ruptures in 1912, when they engage in a brutal fight for the presidential nomination that divides their wives, their children, and their closest friends, while crippling the progressive wing of the Republican

Party, causing Democrat Woodrow Wilson to be elected, and changing the country's history. The Bully Pulpit is also the story of the muckraking press, which arouses the spirit of reform that helps Roosevelt push the government to shed its laissez-faire attitude toward robber barons, corrupt politicians, and corporate exploiters of our natural resources. The muckrakers are portrayed through the greatest group of journalists ever assembled at one magazine—Ida Tarbell, Ray Stannard Baker, Lincoln Steffens, and William Allen White—teamed under the mercurial genius of publisher S.S. McClure. Goodwin's narrative is founded upon a wealth of primary materials. The correspondence of more than four hundred letters between Roosevelt and Taft begins in their early thirties and ends only months before Roosevelt's death. Edith Roosevelt and Nellie Taft kept diaries. The muckrakers wrote hundreds of letters to one another, kept journals, and wrote their memoirs. The letters of Captain Archie Butt, who served as a personal aide to both Roosevelt and Taft, provide an intimate view of both men. The Bully Pulpit, like Goodwin's brilliant chronicles of the Civil War and World War II, exquisitely demonstrates her distinctive ability to combine scholarly rigor with accessibility. It is a major work of history—an examination of leadership in a rare moment of activism and reform that brought the country closer to its founding ideals.

GOD End-time Updates The Bride of My Son Jan 28 2020 "I, The Lord Jesus, beget The Will of The Father in the end-time leading into mercy and relief. I, The Lord Jesus, celebrate with The Father the coming wedding of The Lamb. I, The Lord Jesus, bring memories to the fore, bring images of recollection, bring the past into the present, which still awaits the future. "I, The Lord Jesus, will dress My church in glory as befits those enjoined with God, will dress My church in glory with the robes of The Lamb, with the salvation gowns of Life, with the gowns befitting the enrobing of The Kings and Queens of God. "I, The Lord Jesus, know the Father's interest in all that is said and done, in all that is carried and developed, in all which is polished anew within the sunlight of the morning and the moonlight of the dusk..." The wisdom of the centuries has been nurtured in the heavens, has been kept undefiled, is shared with man upon a prayer request, which can prove to be a landmark in the life of man. The wisdom of the centuries is often obvious when spoken, raises eyebrows at the thoughts revealed, silences while matters are considered as to the best way forward. The wisdom of the centuries is a gift from God, is an enlightening of speech, is the summation of the best, is the containment of the worst, is the victory of expression. The wisdom of the centuries is an expansion of vocabulary...

American Gods Jun 26 2022 Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

New Gods Book Two: Advent of Darkness Jul 28 2022 Yuga Khan, the original ruler of Apokolips, returns! After deposing Darkseid and leaving a trail of destruction in his wake, Khan is intent on resuming his quest for the secret of the Source. Can Orion and the New Gods stop him before darkness engulfs the universe? Collects New Gods #15-28.

The New Gods Nov 07 2020 Dubbed "Nietzsche without his hammer" by literary critic James Wood, the Romanian philosopher E. M. Cioran is known as much for his profound pessimism and fatalistic approach as for the lyrical, raging prose with which he communicates them. Unlike many of his other works, such as *On the Heights of Despair and Tears and Saints*, *The New Gods* eschews his usual aphoristic approach in favor of more extensive and analytic essays. Returning to many of Cioran's favorite themes, *The New Gods* explores humanity's attachment to gods, death, fear, and infirmity, in essays that vary widely in form and approach. In "Paleontology" Cioran describes a visit to a museum, finding the relatively pedestrian destination rife with decay, death, and human weakness. In another chapter, Cioran explores suicide in shorter, impressionistic bursts, while "The Demiurge" is a shambolic exploration of man's relationship with good, evil, and God. All the while, *The New Gods* reaffirms Cioran's belief

in “lucid despair,” and his own signature mixture of pessimism and skepticism in language that never fails to be a pleasure. Perhaps his prose itself is an argument against Cioran’s near-nihilism: there is beauty in his books.

The Shadow of the Gods Jan 10 2021 'A masterfully crafted, brutally compelling Norse-inspired epic' Anthony Ryan THE GREATEST SAGAS ARE WRITTEN IN BLOOD. A century has passed since the gods fought and drove themselves to extinction. Now only their bones remain, promising great power to those brave enough to seek them out. As whispers of war echo across the land of Vigrið, fate follows in the footsteps of three warriors: a huntress on a dangerous quest, a noblewoman pursuing battle fame, and a thrall seeking vengeance among the mercenaries known as the Bloodsworn. All three will shape the fate of the world as it once more falls under the shadow of the gods. Set in a brand-new, Norse-inspired world, and packed with myth, magic and bloody vengeance, *The Shadow of the Gods* begins an epic new fantasy saga from bestselling author John Gwynne. Further praise for *The Shadow of the Gods* 'Visceral, heart-breaking and unputdownable' Jay Kristoff 'A satisfying and riveting read. The well-realised characters move against a backdrop of a world stunning in its immensity. It's everything I've come to expect from a John Gwynne book' Robin Hobb 'A masterclass in storytelling . . . epic, gritty fantasy with an uncompromising amount of heart' FanFiAddict 'Quintessential Gwynne honed to perfection . . . *The Shadow of the Gods* is absolutely stunning, one hell of an epic series opener and a spectacular dose of Viking-flavoured fantasy' The Tattooed Book Geek 'Reminds me of all that I love in the fantasy genre. *The Shadow of the Gods* is an action-packed cinematic read' Fantasy Hive

Accidental Gods Aug 17 2021 Spanning the globe and five centuries, *Accidental Gods* introduces us to a new pantheon: of man-gods, deified politicians and imperialists, militants, mystics and explorers. From the conquistadors setting foot in the New World to Haile Selassie of Ethiopia, elevated by a National Geographic article from emperor to messiah for the Rastafari faith, to the unlikely officers hailed as gods during the British Raj, this endlessly curious and revelatory account chronicles an impulse towards deification that persists even in a secular age, as show of defiance or assertion of power. In her bravura final part, Subin traces the colonial desire for divinity through to the creation of 'race' and the white power movement today, and argues that it is time we rid ourselves of the white gods among us.

Summary of Reza Aslan's No god but God (Updated Edition) Aug 29 2022 Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Ka'ba is a small, nondescript sanctuary in Mecca that the pagan Arabs refer to as the Cube. It is where the gods of pre-Islamic Arabia reside. The pilgrims who visit the Ka'ba rotate around it seven times, some pausing to kiss each corner of the sanctuary before being swept away by the current of bodies. #2 The pre-Islamic Arabs were not a unified group, but rather a variety of different tribes and sects. While they were all polytheistic, paganism, as a religious perspective, was receptive to a multitude of influences and interpretations. #3 The pre-Islamic Arabs had a complex form of neo-animism, which provided a host of divine and semi-divine intermediaries who stood between the creator god and his creation. The most powerful of these intermediaries were the three daughters of Allah, Allat, al-Uzza, and Manat. #4 The Kahins, a group of cultic officials, were the poets who served as soothsayers and would fall into a trance to reveal divine messages through rhyming couplets. The god Allah was not the central deity in the Ka'ba, but he was the most important god in the Arab pantheon.

Small Gods Mar 31 2020 The thirteenth Discworld novel. 'Just because you can't explain it, doesn't mean it's a miracle.' In the beginning was the Word. And the Word was: 'Hey, you!' This is the Discworld, after all, and religion is a controversial business. Everyone has their own opinion, and indeed their own gods, of every shape and size, and all elbowing for space at the top. In such a competitive environment, shape and size can be pretty crucial to make one's presence felt. So it's certainly not helpful to be reduced to appearing in the form of a tortoise, a manifestation far below god-like status in anyone's book. In such instances, you need an acolyte, and fast: for the Great God Om, Brutha the novice is the Chosen One -- or at least the only One available. He wants peace and justice and brotherly love. He also wants the Inquisition to stop torturing him now, please.

Magicians of the Gods Jan 02 2023 Graham Hancock's multi-million bestseller Fingerprints of the Gods remains an astonishing, deeply controversial, wide-ranging investigation of the mysteries of our past and the evidence for Earth's lost civilization. Twenty years on, Hancock returns with a book filled with completely new, scientific and archaeological evidence, which has only recently come to light... The evidence revealed in this book shows beyond reasonable doubt that an advanced civilization that flourished during the Ice Age was destroyed in the global cataclysms between 12,800 and 11,600 years ago. Near the end of the last Ice Age 12,800 years ago, a giant comet that had entered the solar system from deep space thousands of years earlier, broke into multiple fragments. Some of these struck the Earth causing a global cataclysm on a scale unseen since the extinction of the dinosaurs. At least eight of the fragments hit the North American ice cap, while further fragments hit the northern European ice cap. The impacts, from comet fragments a mile wide approaching at more than 60,000 miles an hour, generated huge amounts of heat which instantly liquidized millions of square kilometres of ice, destabilizing the Earth's crust and causing the global Deluge that is remembered in myths all around the world. A second series of impacts, equally devastating, causing further cataclysmic flooding, occurred 11,600 years ago, the exact date that Plato gives for the destruction and submergence of Atlantis. But there were survivors - known to later cultures by names such as 'the Sages', 'the Magicians', 'the Shining Ones', and 'the Mystery Teachers of Heaven'. They travelled the world in their great ships doing all in their power to keep the spark of civilization burning. They settled at key locations - Gobekli Tepe in Turkey, Baalbek in the Lebanon, Giza in Egypt, ancient Sumer, Mexico, Peru and across the Pacific where a huge pyramid has recently been discovered in Indonesia. Everywhere they went these 'Magicians of the Gods' brought with them the memory of a time when mankind had fallen out of harmony with the universe and paid a heavy price. A memory and a warning to the future... For the comet that wrought such destruction between 12,800 and 11,600 years may not be done with us yet. Astronomers believe that a 20-mile wide 'dark' fragment of the original giant comet remains hidden within its debris stream and threatens the Earth. An astronomical message encoded at Gobekli Tepe, and in the Sphinx and the pyramids of Egypt, warns that the 'Great Return' will occur in our time...
