So you get spiritual guidance, tailored to your own individual needs, from whomever you like, as often as you like, on a 24/7 basis, and entirely at no cost to you. You can see why it is called The Direct Path to Self Realisation and Beyond! What does the Direct Path require of you? Just a strong desire to achieve your full spiritual potential as a human being. Everyone is searching for everlasting happiness. Yet, none can find it by pursuit; at the same time, none can stop the pursuit. This seems to be the tragedy of human life—nay, the life of every being. Every pursuit is limited space-wise, time-wise and object-wise. Any pursuit that is limited cannot give everlasting happiness. Some promise eternal happiness after death if one follows their path. Yet, no one has returned to claim that they achieved it by following that path. One sage declares that ‘truth is a pathless land’. Vedanta ascertains that the truth is beyond the space-time-object-wise limitations, and you are that truth—tat tvam asi. The journey beyond space and time limitations is the central theme of the discussions in this text. *Money: How To Make A Lot Of It* is based on an idea that you can always make a lot of money if you can create unlimited business value that is always in a high demand in your marketplace. Everything! Tantra is usually thought of as sex with some kind of mysticism thrown in. *Marc Allen* goes back to the original meaning of tantra and shows how it can be applied to every moment of your life, excluding nothing. Tantra for the West is filled with ancient and modern principles and practices that help you use all your experiences as part of your mental, emotional, and spiritual growth. Within your way of life — whatever it may be — within your everyday thoughts and feelings, within your fantasies and dreams are the keys to love, freedom, and fulfillment. As soon as you can see this, you’ll find yourself on a direct path to realizing the life of your dreams. This highly acclaimed book has inspired readers all over the world for over thirty years, and is now completely revised, with new material added. It gives you simple keys and practical tools that can be wildly, creatively adapted to your individual needs. If you spend even a brief amount of time with this book, you will discover for yourself the transformative power of tantra. Inspired by *Sri Atmananda (Krishna Menon)*, the *Direct Path* is a “pathless path.” It simply articulates the being of you and the world as loving, open, clear awareness. If this truth is realized as your experience, then nothing need be done. The path disappears, and life is lived in sweetness and celebration! But if there are still questions or doubts, the *Direct Path* contains unique and powerful resources that stabilize this truth as your everyday reality. This is a revised edition of the book, expanded to add chapters on the *Direct Path* in addition to its selection of dialogs from a decade of “*Nondual Dinner*” gatherings. The first three chapters unfold the basics of the *Direct Path*, such as standing as awareness, being in love with awareness, and exploring awareness. Included are several experiments that help establish your everyday experience as awareness, always and already. The dialogs cover questions such as the desire for enlightenment experiences, the relationship between the brain and awareness, the question of “nondually correct” language, the belief in physical and mental objects, the idea of having a sage’s experience, and more. *Sun Tzu 2030™* gives you a real success blueprint you can follow today to achieve and accomplish anything you want in business and in life, starting from where you are now and moving

forward to secure a stronger position in your industry that will give you many advantages for years to come. This success blueprint is based on a fundamental idea that naturally you have a strategic position which you need to carefully plan and establish as well as strategically defend and advance from where it is now to where you want it to be. The more you can defend and advance your strategic position the more unstoppable and more successful you become. Working Hard to Become Spiritually Elite? Have you ever wondered why you can't find the path to enlightenment? Stop! In You're Trying Too Hard, Joey Lott explains exactly that--you are trying too hard, and you will never achieve your goals precisely because you already ARE freedom. Stop trying everything under the sun to bring yourself to true enlightenment. Stop searching for wiser, more special teachers. Stop worrying about lineage and ego and diet and the self. Stop everything. Remain only with direct experience, and let true clarity at least reveal itself. Clarity is the simplicity of being. Clarity is simply seeing what is, as it is. "Look to direct experience right now. This is absolutely effortless. There is no trying required. Why? Because direct experience is unavoidable. It is what is happening." Are you ready?
