*Drowning Instinct* Jan 24 2022 There are stories where the girl gets her prince, and they live happily ever after. (This is not one of those stories.) Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She used to count on her older brother—until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. There are stories where the monster gets the girl, and everyone cries for his innocent victim. (This is not one of those stories either.) Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism. And there are stories where it's hard to be sure who's a prince and who's a monster, who is a victim and who should live happily ever after. (These are the most interesting stories of all.) *Drowning Instinct* is a novel of pain, deception, desperation, and love against the odds—and the rules.

*The Apocalypse of Elena Mendoza* Feb 10 2021 A Junior Library Guild Selection “Surreal, brainy, and totally captivating.” —Booklist (starred review) “Provocative and moving.” —Publishers Weekly (starred review) “Hutchinson artfully blends the realistic and the surreal.” —School Library Journal (starred review) From the critically acclaimed author of *We Are the Ants* and *At the Edge of the Universe* comes a mind-bending, riveting novel about a teen who was born to a virgin mother and realizes she has the power to heal—but that power comes at a huge cost. Sixteen-year-old Elena Mendoza is the product of a virgin birth. This can be scientifically explained (it's called parthenogenesis), but what can't be explained is how Elena is able to heal Freddie, the girl she's had a crush on for years, from a gunshot wound in a Starbucks parking lot. Or why the boy who shot Freddie, David Combs, disappeared from the same parking lot minutes later after getting sucked up into the clouds. Other things that can't be explained are the talking girl on the front of a tampon box, or the reasons that David Combs shot Freddie in the first place. As more unbelievable things occur, and Elena continues to perform miracles, the only remaining explanation is the least logical of all—that the world is actually coming to an end, and Elena is possibly the only one who can do something about it.
