(And for tomboys in training, there are even directions on building your very own unicorn trap.) *Tomboy Survival Guide* warmly recounts Ivan's adventures and mishaps as a diffident yet free-spirited tomboy, and maps their journey through treacherous gender landscapes and a maze of labels that don't quite stick, to a place of self-acceptance and an authentic and personal strength. These heartfelt, funny, and moving stories are about the culture of difference—a "guide" to being true to one's self. The author presents information he researched about diet modifications, over-the-counter nutritional supplements and non-prescription dietary additives that can help manage the successful digestion of food for those who have had their gallbladders removed in a cholecystectomy or for those suffering from gallstones and are considering surgery, all based on the author's own experiences after his own emergency gallbladder removal.
