Count Dracula Goes to the Movies Aug 28 2022 First published in 1897, Bram Stoker's *Dracula* has never been out of print. Yet most people are familiar with the title character from the movies. Count Dracula is one of the most-filmed literary characters in history--but has he (or Stoker's novel) ever been filmed accurately? In its third edition, this study focuses on 18 adaptations of *Dracula* from 1922 to 2012, comparing them to the novel and to each other. Fidelity to the novel does not always guarantee a good movie, while some of the better films are among the more freely adapted. The Universal and Hammer sequels are searched for traces of Stoker, along with several other films that borrow from the novel. The author concludes with a brief look at four latter-day projects that are best dismissed or viewed for ironic laughs.

This Fabulous Century: 1930-1940 Oct 06 2020 Pictorial survey by decade of the American social scene, 1900-1970, with a prelude volume covering American popular culture in the three decades prior to the 20th century.

The Bride of Rosecliff Nov 26 2019 In the name of the English King Henry, Rand Fitz Hugh has arrived to claim rebellious Wales. A fierce and loyal warrior, he is prepared for war, but boldly seeks peace, never imagining the battle that will rage within his own heart.

Women in Frankish Society Aug 23 2019 Women in Frankish Society is a careful and thorough study of women and their roles in the Merovingian and Carolingian periods of the Middle Ages. During the 5th through 9th centuries, Frankish society transformed from a relatively primitive tribal structure to a more complex hierarchical organization. Suzanne Fonay Wemple sets out to understand the forces at work in expanding and limiting women's sphere of activity and influence during this time. Her goal is to explain the gap between the ideals and laws on one hand and the social reality on the other. What effect did the administrative structures and social stratification in Merovingian society have on equality between the sexes? Did the emergence of the nuclear family and enforcement of monogamy in the Carolingian era enhance or erode the power and status of women? Wemple examines a wealth of primary sources, such deeds, testaments, formulae, genealogy, ecclesiastical and secular court records, letters, treatises, and poems in order to reveal the enduring German, Roman, and Christian cultural legacies in the Carolingian Empire. She attends to women in secular life and matters of law, economy, marriage, and inheritance, as well as chronicling the changes to women's experiences in religious life, from the waning influence of women in the Frankish church to the rise of female asceticism and monasticism.

The Betrothed Bride of Messiah Feb 28 2020 From the very beginning, God planned an eternal marriage with redeemed man. There are seven holy rehearsals that God has given mankind to learn and experience His plan. The material covered in this book is based upon the Scripture coupled with ancient rabbinic commentaries and interpretation. (Biblical Studies)

Romanticism Mar 23 2022 The Romantic period coincided with revolutionary transformations of traditional political and human rights discourses, as well as witnessing rapid advances in technology and a primitivist return to nature. As a broad global movement, Romanticism strongly impacted on the literature and arts of the late eighteenth and early nineteenth centuries in ways that are still being debated and negotiated today. Examining the poetry, fiction, non-fiction, drama, and the arts of the period, this book considers: Important propositions and landmark ideas in the Romantic period; Key debates and critical approaches to Romantic studies; New and revisionary approaches to Romantic literature and art; The ways in which Romantic writing interacts with broader trends in history, politics, and aesthetics; European and Global Romanticism; The legacies of Romanticism in the twentieth and twenty-first centuries. Containing useful, reader-friendly features such as explanatory case studies, chapter summaries, and suggestions for further reading, this clear and engaging book is an invaluable resource for anyone who intends to study and research the complexity and diversity of the Romantic period, as well as the historical conditions which produced it.

Prayer Feb 07 2021 Composed c. 233, the treatise on prayer is not merely a treatise, but a prayer itself. The Exhortation was composed c. 235 to provide solace for Origen's great friend and patron, Ambrose, and the presbyter, Protocletus, both of whom had been imprisoned. +

Courtesans and Tantric Consorts Aug 16 2021 In *Courtesans and Tantric Consorts*, Serinity Young takes the reader on a journey through more than 2000 years of Buddhist history, revealing the colourful mosaic of beliefs that inform Buddhist views about gender and sexuality.

The Bride of Christ - A Metaphor for the Church Dec 28 2019 Lumen gentium, the Dogmatic Constitution on the Church of the Second Vatican Council, uses various images to speak about the Church. This study is about the Church as the Bride of Christ. Unlike the great images of the Church as the People of God and the Body of Christ, the image of the Church as the Bride of Christ has never been extensively examined since the Second Vatican Council. The current research is a biblical and systematic-theological study of this image. Its main question is what this metaphor can tell us about the essence of the Church, and what its consequences are for the life of the Church today.

The Bride in the Cultural Imagination Aug 04 2020 This essay collection examines the cultural and personal world of girls and women at a time when their lives, their person, their realities, and their status are about to change forever. Together, the chapters cleverly create an in-depth study of the subject, and look at several cultural forms to offer a different approach to the popularly-held views of the bride. The critical essays in this edited collection are thematically driven and include global perspectives of the portrayals of the bride in the films, stage productions and pop-culture narratives from Nigeria; Kenya; Uganda; Tanzania; Spain; Ancient Greece and Ancient Rome; Tajikistan; India; Egypt; and the South-Eastern Indian Ocean Islands. This multinational approach provides insight into the intricacies, customs, practices, and life-styles surrounding the bride in various Eastern and Western cultures.

Walter Scott Nov 18 2021 Between 1814 and 1819 Walter Scott published a remarkable sequence of eight historical and regional novels, beginning with *Waverley* and culminating in *The Bride of Lammermoor* and *A Legend of Montrose*. In the process he made the Author of *Waverley* into the most successful and famous novelist in the world; by choosing to remain anonymous, however, Scott deliberately separated this new achievement from the fame he had already gained as editor and poet. This study of the first and major phase of Scott's career as a novelist reconsiders his act of secession from his own literary past and examines the interconnections between Scott the antiquarian and editor, Scott the romantic poet, and Scott the novelist.

Reading Romantics Jan 09 2021 These thirteen essays, some previously published and others appearing here for the first time, are united by a continuing endeavour to join formalism with wider concerns. They seek to reconnect literature with the motives from which it springs and the social relations within which it exists. There is fusion of psychoanalytic insight, textual criticism, and historical scholarship. Amongst the writers discussed are Wordsworth and Byron.

As Long as We Both Shall Love Jul 03 2020 In *As Long as We Both Shall Love*, Karen M. Dunak provides a nuanced history of the American wedding and its celebrants. Blending an analysis of film, fiction, advertising, and prescriptive literature with personal views from letters, diaries, essays, and oral histories, Dunak demonstrates the ways in which the modern wedding epitomizes a diverse and consumerist culture and aims to reveal an ongoing debate about the power of peer culture, media, and the marketplace in America. The Bride's Thank-You Guide Sep 16 2021 Answering hundreds of questions about content, style, and etiquette, this guide will help newlyweds write thank-you notes that are both personal and appropriate. This new edition contains 60 sample letters highlighting the elements that should be included in each, discusses the appropriateness of e-mailed thank-yous, and features a new section on gift ideas for attendants. In addition to laying out the letter-writing rules, this guide offers creative and helpful ideas to make each note warm and memorable, whether the thank-you be a special note for parents or an acknowledgement of a monetary, group, duplicate, or unusual gift. This invaluable resource also includes time-saving tips, stationery suggestions, a handy list of adjectives and descriptive words, and a listing of helpful wedding websites.

Jonathan Edwards and the Church Dec 08 2020 Though Edwards spent most of his life working in local churches, and saw himself primarily as a pastor, his own views on the theology of the church have never been explored in depth. This book presents Edwards's views on ecclesiology by tracking the development of his convictions during the course of his tumultuous career. Drawing on Reformation foundations and the Puritan background of his ministry, Edwards refreshes our understanding of the church by connecting it to a nuanced interpretation of revival, allowing a dynamic view of the place of church in history and new thinking about its institutional structure. Indeed in Edwards's writing the church has an exalted status as the bride of Christ, joined to him forever. Building on the recent completion of the works of Jonathan Edwards, and material newly published online, this book, the first ever on Edwards's ecclesiology, demonstrates his commitment to corporate Christian experience shaped by theological convictions and his aspirations towards the visibility and unity of the Christian church. In a final section, Bezzant discusses topics relating to ecclesiology (such as hymnody, discipline, and polity), that occupied Edwards throughout his ministry. Edwards preached a Gospel concerned with God's purposes for the world, so it is the growth of the church, not merely the conversion of individuals, that is the necessary fruit of his preaching. The church in the West is rediscovering the importance of ecclesiology as it emerges from its Christendom constraints. Edwards's struggle to understand the church and its place within God's cosmic design is a case study that helps us to appreciate the church in the modern world.
