Bible Studies Told through diary entries interspersed with the stories of many Ethiopian Jews in their own words, this is the gripping account of the Jewish Agency's co-ordinator of Ethiopian aliyah as he worked over a decade to free the Beta Israel from shocking conditions. With Ethiopia overrun by rebels, the Jews had left their villages in northern Ethiopia by the thousands to trek for weeks to the Sudan. There, in squalid refugee camps, untold numbers died of disease and malnutrition. Those left alive were motivated only by the desire to return to Zion. Starving, preyed-upon, and often separated from their families in heartbreaking ways, the refugees also faced stark cultural adjustments in Israel. When Israel was able to open an embassy in Ethiopia in January 1990, the author went to Addis Ababa, where his crowning achievement as the Jewish Agency's representative and Israeli consul was overseeing the immigration of over fourteen thousand Jews from the besieged city in the dramatic two-day Operation Solomon in May 1991. This modern-day Exodus story is a heart-warming tale of the love of one man for Ethiopian Jewry as he devoted himself to their struggle to go up to Jerusalem. Have you ever wondered about the private lives of people you know? How did they get where they are? What challenges did they face? What failures did they overcome? What demons did they defeat? Take a journey with us as we share our challenges, defeats, triumphs, and failures. A journey paved with faith, hope, and love that has forever changed our lives. We pray that our experiences in life and with God will encourage you and cause you to draw closer to Jesus. God has been preparing us from the day we were born to share ourselves with you. We hope you will come

to understand that God is preparing you as well... preparing you for something great, preparing you to fulfill the purpose that he has pre-ordained for your life! The road to your destiny may take you places you never thought you would travel. The story of a group of executives who were recruited to rescue two other executives from their imprisonment in Tehran. Best Books of the Month: Wall Street Journal, Kirkus Reviews From the Pulitzer Prize-winning author of *The Gulf*, a sweeping cultural and natural history of the bald eagle in America. The bald eagle is regal but fearless, a bird you're not inclined to argue with. For centuries, Americans have celebrated it as "majestic" and "noble," yet savaged the living bird behind their national symbol as a malicious predator of livestock and, falsely, a snatcher of babies. Taking us from before the nation's founding through inconceivable resurgences of this enduring all-American species, Jack E. Davis contrasts the age when native peoples lived beside it peacefully with that when others, whether through hunting bounties or DDT pesticides, twice pushed *Haliaeetus leucocephalus* to the brink of extinction. Filled with spectacular stories of Founding Fathers, rapacious hunters, heroic bird rescuers, and the lives of bald eagles themselves—monogamous creatures, considered among the animal world's finest parents—*The Bald Eagle* is a much-awaited cultural and natural history that demonstrates how this bird's wondrous journey may provide inspiration today, as we grapple with environmental peril on a larger scale. Going through tumultuous periods can be rough to navigate. Where is God in these times? What does He want from us? We find our bearings as we look to the Lord. His faithful love for us is full of mercy and grace. His love is relentless and unchanging with our circumstances. *Wings of Eagles* will guide you to go deeper in your relationship with the Lord during times of struggles or chaos. Peace and joy are within your reach! Rather than surviving, you can thrive and flourish growing profusely. Trusting God through difficulty or chaos is more of an art than a prescription. This author uses her experiences and Scripture to guide you deeper in your relationship with Christ during these times. Keeping a journal, such as the *Soar On Wings Of Eagles LuxLeather Journal*, along your faith journey allows you to write your thoughts to the Lord, ask questions, record prayers, and jot down new teachings from Bible study. Each morning, write down a prayer for the day and end the day with a reflection in this Christian journal. On the *Wings of Eagles* continues the saga of Wisconsin farm boy Otto Kerchner as he, his sister Mata, and the community of Pioneer Lake make their way in the brave new world of post-World War II America. This sequel to *On Wings of the Morning* (which details Otto's service as a B-17 pilot, a fiery crash landing, and his long recovery from physical and psychological wounds), recreates a simpler world in which family and community played a vital role. Picking up in May of 1946, readers will witness a new chapter in

Otto's adventure as he starts up an airline, experiences a wedding, witnesses another fiery crash, commands a bomber squadron in the Korean War, runs an air circus, and tries to come to terms with someone from his past—all in the space of a few short years. On the *Wings of Eagles* features the warmth and rich characterization readers of all ages enjoyed in the first book, and is sure to become a new favorite among the many fans of Otto, his friends, family, and their little town of Pioneer Lake. Why Walk When You Can Soar? Christian, are you tired? Discouraged? Overwhelmed? Ready to throw in the towel? A feeling of defeat was not God's true design for serving Him. Andrew Murray provides refreshing insights on the power of effective prayer and the strength to be found in waiting on God. With wise counsel from the Word of God, he emphasizes the solutions for the ageless problem of spiritual exhaustion. As you grasp these simple biblical truths and effectively incorporate them into your life, you will find yourself able to soar with eagles' wings. This journal notebook features the Bible verse "But they that wait upon the Lord shall renew their strength" (Isaiah 40:31) on this beautiful gloss cover. There is plenty of room inside for writing notes and ideas. It can be used as a notebook, journal or composition book. This paperback notebook is 6" x 9" and has 120 pages (60 sheets) that are college ruled. This collection of sermons by Andrew Murray provides refreshing answers for sired laborers in the field. With wise counsel from the Word of God, he offers solutions for the ageless problem of spiritual exhaustion. As you grasp these simple biblical truths, you will find yourself able to soar with eagles' wings. Beginning in 1942, the Eighth Air Force began a precision bombing raid offensive deep into Nazi Germany, embarking from bases in rural England. Nearly 350,000 Americans were transplanted to English soil, joining their British colleagues for this joint Allied offensive. For many it was a period of great risk, and arguably the greatest adventure of their lives. With *Wings As Eagles* celebrates the heroics of these pilots and their missions. A lavishly illustrated, full-color, hardcover original, the narrative is the result of the author's exclusive interviews with many of the pilots and crew, as well as research from contemporary diaries, journals, and scrapbooks. Readers relive the nostalgia and vivid reminiscences — of days of seemingly endless boredom and fatigue, the loneliness of soaring in an aluminum cocoon four miles over an intended target, and a surprising account of parachuting onto German soil and being captured by women and children. With *Wings As Eagles* relives the drama and history of an heroic era. Follow eighteen-year-old Jonathan and his best friend, Charlie, a Cherokee Indian, into the wilds of Northern Kentucky in 1856 to rescue Jonathan's father from a renegade tribe of Shawnee. Charlie and Jonathan depart the mountains of Western North Carolina on horseback and have many exciting adventures along the way. With *Wings as Eagles* is a novel of suspense and perilous

episodes. WINGS LIKE EAGLES is a collection of inspiring sermons by the renowned late preacher and author Andrew Murray. Using the Word, Murray provides solutions for those suffering from spiritual weariness or exhaustion. Readers will be strengthened spiritually, with Andrew Murray's help, as they begin to recognize the importance of love and unity in the body, the necessity of effectual prayer, and the benefits of waiting on God. Readers will be refreshed and revitalized by this collection of sermons and will be strengthened in their work for God! At a time of great importance in the history of life on the planet, human beings find themselves with enormous economic and technological power, but also with a terrible inner weakness. This book takes a careful look at our vulnerability and proposes some radical new pathways towards a life more in harmony with the natural world. "[With Wings Like Eagles is] bold and refreshing... Korda writes with great elegance and flair."—Wall Street Journal From the New York Times bestselling author of *Ike and Horse People*, Michael Korda, comes *With Wings Like Eagles*, the harrowing story of The Battle of Britain, one of the most important battles of World War II. In the words of the Washington Post Book World, "With Wings Like Eagles is a skillful, absorbing, often moving contribution to the popular understanding of one of the few episodes in history ... to deserve the description 'heroic.'" ON WINGS OF EAGLES - The story of Ferdinando Stanley and Alice Spencer By LIZZIE JONES Alice Spencer of Althorp Manor believes that all her dreams have come true when she meets Ferdinando Stanley, heir to the great earldom of Derby. But she soon realises that his royal blood is a dangerous inheritance in Elizabethan England, especially when set within the context of Catholic conspiracy in their vast estates in Lancashire. Their prominence at the Court and their patronage of actors and writers, including the young William Shakespeare, is threatened by Catholic intrigue and their world becomes a menacing place of plotters and spies bringing unforeseen consequences. Betsy Talbot becomes part of the Gold Rush but faces both danger and disappointment. Gaius Marius (157-86B) was one of the most innovative and influential commanders of antiquity. With Marius in command of its legions, Rome prevailed on the battlefields of North Africa and defeated a two-pronged invasion of the Italian peninsula by 300,000 migrating Germanic tribesmen. The reason for this success was a series of five ground-breaking reforms through which Marius dramatically altered the demographics, recruitment, training and operation of the Roman army. In effect, Marius's (TM) reforms changed the Roman military from a service of short-term militia into a professional standing army. This allowed Rome to use the military as an effective tool for military expansion and internal security and laid the foundations for the role of the Roman army for centuries to come. Many of these reforms, however, came at a cost to the stability of the state. This book charts the military implications of Marius's (TM) reforms: what they were, why they were made, how they were made, and how they altered the functionality of the Roman military. Authored by Mark Proulx, this book contains 36 pages of black and white photos, some in color. Exciting, rare photos of a BF 109 as flown by Oblt. Josef "Pips" Priller

and numerous other interesting Luftwaffe aircraft including: BF 109 E-1 of III./JG 26 "Schlageter" from late 1939. Bf 109 K-4 with W.Nr. Bf 109 G-6 with W.Nr applied on non-standard places. Bf 109 E-3 belonging to Oblt. Josef "Pips" Priller. The Neubiberg dump site with two Me 262's, including W.Nr. 111728 and the tail of W.Nr. 110376, plus "White 7." Me 262 A with the unconfirmed W.Nr. of 130015 with a large V015 on the side of the cockpit. He 177 A-5 found in France in 1944. The second prototype Ar 232 fitted with defensive armament. Ar 232 B with Air Min 17. Ju 288 V2. Me 410, 7A+KH in a derelict state. He 219 A-010 V17. Ju-290, 9V+AB at Brunthal in derelict condition. But that's not all. There are some Fw-200 photos and several aircraft in British markings, and more On the Eagles' Wings is a practical book that one can easily identify with, as it exposes the practical issues that affect the outcome of decisions that people make while they face different challenges in life. This book outlines the principles that individuals must pay attention to in order to make a wise choice in critical moments when they are faced with a difficult decision. It also exposes common pitfalls that could make situations worse if they are not carefully avoided, like making hasty decisions. When an individual is faced with dilemma, if the person is not strong in the Lord, he or she can easily be blown about by every wind of doctrine, easily deterring one from reaching his goal. On the Eagles' Wings can be used as a point of reference by anyone going through difficult times or facing having to make a life-altering decision. This book is written based on biblical facts and references, as well as on true stories shared by Christians who have lived through hard times and have now shared the experiences that helped to ground them in the Lord. People go through different challenges in life. The most important thing while going through these trials is not so much the challenge itself, but instead how each individual tackles the situation—this is what makes the difference and grants the person victory. As Christians, we know that our faith is rooted in the Lord. Awaiting the Moshiah is one of the underpinnings of Jewish belief, one of Maimonides's Thirteen Principles of Faith. In this important and groundbreaking work, the author gathers together the teachings of the Sages on this subject in an illuminating and thought-provoking question-and-answer format. #1 bestselling author Ken Follett tells the inspiring true story of the Middle East hostage crisis that began in 1978, and of the unconventional means one American used to save his countrymen. . . . When two of his employees were held hostage in a heavily guarded prison fortress in Iran, one man took matters into his own hands: businessman H. Ross Perot. His team consisted of a group of volunteers from the executive ranks of his corporation, handpicked and trained by a retired Green Beret officer. To free the imprisoned Americans, they would face incalculable odds on a mission that only true heroes would have dared. . . . Do something today that your future self will thank you for... Brad breaks down the best messages and underlying points from encounters he has had with some of the most influential people in politics, sports and business and shares his notes in an enlightening way. His encounters include George W. Bush, Oliver North, Kevin O'Leary, Joe Namath, Magic Johnson, Olympic

Gold Medalist Greg Louganis, Rudy Ruettiger, Fran Tarkenton and more. As the founder of The Art of Beliefology(TM) Brad explains how everyone has limiting beliefs holding them back from accomplishing more in life and then provides a framework for overcoming them. Intertwined with stories from Brad's past as CEO of a small oil company, to real life examples of bringing about change - this is a must read for those wanting more in life. Another powerful anthem from Benjamin Harlan. Here he repeatedly encourages us to "Rejoice in the Lord!" throughout a piece that expresses the triumphant declaration of Isaiah 40. You can feel the uplifting truth of the text in the music itself! The choral writing is full, interesting, and masterfully simple, and the keyboard accompaniment is both accessible and satisfying. "With Wings as Eagles" is perfect for dedication services, ordinations, Christian school graduations, or any worship setting. Scripture References: Isaiah 40:28-31, Habakkuk 3:18 There is a powerful story behind this short uplifting book. Marguerite Remy-Esannason has been ministering for over 40 years to everyday people in sorrow, loss and need. But unknown to anyone else during all that time, she has been putting her feelings and inspirations into quiet poems. These poems were a dormant treasure. Only this past year, the epochal year 2020, after the deaths of Elder Marguerite's beloved husband and beloved mother, both of whom she cared for at home, did the poems "surface". All of a sudden, Elder's short and deeply personal affirmations of faith in the face of impasse and sorrow came to light! They are a trove of encouragement, comfort and sustenance. We invite you to read one a day, or one a week. They are a pharmacy from God, composed in the crucible of human pain and also exaltation. They will take you there -- not exactly to Strawberry Fields but to the Place of Rest and Shalom, to your Place in God. The remarkable true story of Ross Perot's successful attempt to rescue two of his employees held hostage in Iran chronicles the heroic effort from start to finish. Reissue. The former commander of the Israeli Air Force recounts his own rise from the ranks, the growth of his air force from pre-Independence secrecy to precision invincibility, and the struggle for men, material, and Israel's survival Gaius Marius (157-86B) was one of the most innovative and influential commanders of antiquity. With Marius in command of its legions, Rome prevailed on the battlefields of North Africa and defeated a two-pronged invasion of the Italian peninsula by 300,000 migrating Germanic tribesmen. The reason for this success was a series of five ground-breaking reforms through which Marius dramatically altered the demographics, recruitment, training and operation of the Roman army. In effect, Marius' reforms changed the Roman military from a service of short-term militia into a professional standing army. This allowed Rome to use the military as an effective tool for military expansion and internal security and laid the foundations for the role of the Roman army for centuries to come. Many of these reforms, however, came at a cost to the stability of the state. This book charts the military implications of Marius' reforms: what they were, why they were made, how they were made, and how they altered the functionality of the Roman military. The life and times of an unlicensed barn stormer in the Great Depression who became

the National Flight Instructor of the Year in 1981. An era in this world is fast coming to a close. The era in which man soared into the heavens in search of himself and set himself apart from the world below. Today flying is commonplace. The average person can take a flight on an airliner for business or pleasure without a second thought of the sacrifices made in aviation. The aviator in the open cockpit biplane straining to see through the grease stained goggles looking for a field below has disappeared. His knowledge that man was not meant to fly was overcome by the fact that he is alone soaring with the eagles. Recounts the allegorical story of the adventures of Aletheia as she journeys with her parents to the Highest Places of all. In a single day, Lillian's life was shattered. As a 14-year-old growing up on a cattle ranch, she spent her days working with her Dad under the Texas sun and her nights around the kitchen table working on school. She was counting down the days until her brother returned from the Vietnam War and their small family would be reunited once more. And then the news came that brought an end to life as she knew it and sent her into the unknown. Join Lillian as she faces heartbreak, perseveres through conflicts, and learns to overcome life's wild twists and turns.
